employees to issue or deliver, agency company stock or other capital stock, or benefit certificates or shares in any common law corporation, or securities or any special or advisory board contracts or other contracts of any kind promising returns and profits as an inducement to insurance.

(7) Making or permitting any of the following:

(A) Unfair discrimination between individuals of the same class and equal expectation of life in the rates or assessments charged for any contract of life insurance or of life annuity or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of such contract; however, in determining the class, consideration may be given to the nature of the risk, plan of insurance, the actual or expected expense of conducting the business, or any other relevant factor.

(B) Unfair discrimination between individuals of the same class involving essentially the same hazards in the amount of premium, policy fees, assessments, or rates charged or made for any policy or contract of accident or health insurance or in the benefits payable thereunder, or in any of the terms or conditions of such contract, or in any other manner whatever; however, in determining the class, consideration may be given to the nature of the risk, the plan of insurance, the actual or expected expense of conducting the business, or any other relevant factor.

(C) Excessive or inadequate charges for premiums, policy fees, assessments, or rates, or making or permitting any unfair discrimination between persons of the same class involving essentially the same hazards, in the amount of premiums, policy fees, assessments, or rates charged or made for:

(i) policies or contracts of reinsurance or joint reinsurance, or abstract and title insurance;

(ii) policies or contracts of insurance against loss or damage to aircraft, or against liability arising out of the ownership, maintenance, or use of any aircraft, or of vessels or craft, their cargoes, marine builders' risks, marine protection and indemnity, or other risks commonly insured under marine, as distinguished from inland marine, insurance; or

(iii) policies or contracts of any other kind or kinds of insurance whatsoever.

However, nothing contained in clause (C) shall be construed to apply to any of the kinds of insurance referred to in clauses (A)

and (B) nor to reinsurance in relation to such kinds of insurance. Nothing in clause (A), (B), or (C) shall be construed as making or permitting any excessive, inadequate, or unfairly discriminatory charge or rate or any charge or rate determined by the department or commissioner to meet the requirements of any other insurance rate regulatory law of this state.

(8) Except as otherwise expressly provided by law, knowingly permitting or offering to make or making any contract or policy of insurance of any kind or kinds whatsoever, including but not in limitation, life annuities, or agreement as to such contract or policy other than as plainly expressed in such contract or policy issued thereon, or paying or allowing, or giving or offering to pay, allow, or give, directly or indirectly, as inducement to such insurance, or annuity, any rebate of premiums payable on the contract, or any special favor or advantage in the dividends, savings, or other benefits thereon, or any valuable consideration or inducement whatever not specified in the contract or policy; or giving, or selling, or purchasing or offering to give, sell, or purchase as inducement to such insurance or annuity or in connection therewith, any stocks, bonds, or other securities of any insurance company or other corporation, association, limited liability company, or partnership, or any dividends, savings, or profits accrued thereon, or anything of value whatsoever not specified in the contract. Nothing in this subdivision and subdivision (7) shall be construed as including within the definition of discrimination or rebates any of the following practices:

(A) Paying bonuses to policyholders or otherwise abating their premiums in whole or in part out of surplus accumulated from nonparticipating insurance, so long as any such bonuses or abatement of premiums are fair and equitable to policyholders and for the best interests of the company and its policyholders.

(B) In the case of life insurance policies issued on the industrial debit plan, making allowance to policyholders who have continuously for a specified period made premium payments directly to an office of the insurer in an amount which fairly represents the saving in collection expense.

(C) Readjustment of the rate of premium for a group insurance policy based on the loss or expense experience thereunder, at the end of the first year or of any subsequent year of insurance thereunder, which may be made retroactive only for such policy year.

(D) Paying by an insurer or insurance producer thereof duly licensed as such under the laws of this state of money, commission, or brokerage, or giving or allowing by an insurer or such licensed insurance producer thereof anything of value, for or on account of the solicitation or negotiation of policies or other contracts of any kind or kinds, to a broker, an insurance producer, or a solicitor duly licensed under the laws of this state, but such broker, insurance producer, or solicitor receiving such consideration shall not pay, give, or allow credit for such consideration as received in whole or in part, directly or indirectly, to the insured by way of rebate.

(9) Requiring, as a condition precedent to loaning money upon the security of a mortgage upon real property, that the owner of the property to whom the money is to be loaned negotiate any policy of insurance covering such real property through a particular insurance producer or broker or brokers. (10) Entering into any contract, combination in the form of a trust or otherwise, or conspiracy in restraint of commerce in the business of insurance.

(11) Monopolizing or attempting to monopolize or combining or conspiring with any other person or persons to monopolize any part of commerce in the business of insurance. However, participation as a member, director, or officer in the activities of any nonprofit organization of insurance producers or other workers in the insurance business shall not be interpreted, in itself, to constitute a combination in restraint of trade or as combining to create a monopoly as provided in this subdivision and subdivision (10). The enumeration in this chapter of specific unfair methods of competition and unfair or deceptive acts and practices in the business of insurance is not exclusive or restrictive or intended to limit the powers of the commissioner or department or of any court of review under section 8 of this chapter.

(12) Requiring as a condition precedent to the sale of real or personal property under any contract of sale, conditional sales contract, or other similar instrument or upon the security of a chattel mortgage, that the buyer of such property negotiate any policy of insurance covering such property through a particular insurance company, insurance producer, or broker or brokers.

**C
